Friends of Roosevelt County Fair:

Roosevelt County Fair (RCF) invites you to become a sponsor for our annual fair. This year the fair will be held August 11-13 at the RCF fairgrounds in Culbertson, MT and the theme is "Homegrown. Homemade."

Sponsors are needed on many different levels. Bronze level sponsors will give participants in youth and open class awards for Judge's Choice, which are typically Chamber Bucks for awardees to spend within the town of Culbertson at any participating merchant. These sponsorships are \$50 or less, and the awards are split amongst several participants. Silver level sponsors are asked to contribute \$100, and their sponsorship will go towards belt buckles and mini banners for Grand and Reserve Champion Market and Round Robin Showmanship winners in the FFA and 4-H Divisions. This is a great way to show appreciation to the hard work of our youth.

Gold level sponsors contribute \$101 to \$250 and their sponsorships may assist in many different ways, the decision is up to you. And our Platinum level sponsors are partners of the Roosevelt County fair and showcase specific "pieces" of entertainment around the fair. This may be one of the concerts, a children's activity, or any other area of entertainment for the 2015 fair and just like the Gold level, the decision for your partnering is completely up to you.

Our website has a full copy of the Fair Book and all of the different categories for both open class and 4-H/FFA.

Your sponsorship will help assure the success of the Roosevelt County Fair. Enclosed please find the fact sheet and sponsorship form. Please do not hesitate to contact me with any questions or concerns. I look forward to speaking with you at your earliest convenience.
